WHATS It All About?

To provide an organized team competitive event with a social atmosphere (sort of like World Team Tennis). So, you can compete and hang out and root on your teammates on in between your matches while enjoying the great food from Mina's Spanish Kitchen. The Mina's Cup organization committee will take all the members that are signed up and look to spread out the talent evenly amongst 2 teams to make competitive matches all around. The two teams will compete in doubles format in multiple flights throughout the day, with each game won equaling one point. At the end of the day, the team with the most cumulative points will be the winner.

Please email MonroetennisClub@gmail.com if you have any questions regarding the event.

Learn About Our Home-Style Cooking <https://www.minasspanishkitchen.com/>

Our tradition of culinary excellence originates from the family recipes developed and perfected over generations that we now proudly serve to the community.

A Warm Family Dining Experience

At Mina's Spanish Kitchen, we want to create a "dinner table" that is welcoming to all. We would like to have all of you felt at home. Our vision encompasses a place that would have a warm family atmosphere and great home-style cooking.

Henderson and Osinski (Mark Henderson – MTC Member)

Our group features great song selections, fine musicianship and sparkling harmonies. Our song list spans the best bands and artists from the past several decades (e.g. Beatles, CSN, Neil Young, America, The Who, John Mellencamp, David Bowie, etc).

I play acoustic guitar and sing lead vocals and Pete Osinski plays electric bass and provides the backup vocals. We are accomplished and experienced musicians and our voices blend especially well for harmonies. We have been performing quite regularly in the Hudson Valley since 2009 and we appeal to most age demographics in a variety of venue settings.

We have a loyal following and regularly perform at a number of local establishments including; Pamela's-On-The-Hudson, Brothers BBQ, The Captains Table, Storm King Tavern, the Lakeview House, The Town Crier Cafe, Whistling Willies, Magnanini's, Maxes-On-Main, and several others.
